4:20 PM	Women's Perspectives in IR: Challenges and Opportunities Meredith J. Englander MD, FSIR, Albany Stratton Veteran Affairs Medical Center
4:40 PM	Panel Q & A
4:55 PM	Break
III. Industry, Devices and IFU's <i>Moderator: Dr. Geogy Vatakencherry, Kaiser Permanente Los Angeles</i>	
5:10 PM	Session Overview and Introductions

5:15 PM	Drug-coated Balloons: Where Are We Now? Parag J Patel, MD, MS, FSIR, Medical College of Wisconsin
5:35 PM	My Device Failures: Yup...Lessons Learned Kumar Madassery MD, Rush Medical Center
5:55 PM	IVC Filters: A Litigator's Paradise Kush R. Desai, MD, FSIR, Northwestern Medical Center
6:15 PM	IR Devices and their Pitfalls: Who Knew? Sabeen Dhand, MD, PIH Health
6:35 PM	Panel Q & A
7:00 PM	End of Day 1
Saturday, September 11th, 2021	
RISQCS21 Meeting (Virtual Livestream)	
6:30 AM	Guided Meditation
6:55 AM	Welcome and Conference Overview Mikhail C.S.S. Higgins, MD, MPH, RISQCS Founding Chair, Boston Medical Center Boston University School of Medicine
IV. Medical Student and Trainee Complications Case Presentation (None CME) <i>Moderator:</i> Dr. Mikhail C.S.S. Higgins, Boston University School of Medicine/Boston Medical Center	
7:00 AM	Finalist# 1
7:20 AM	Finalist# 2
7:40 AM	Finalist# 3
RISQCS21 CME Meeting (Virtual Livestream)	
8:05 AM	Keynote: Reflections on Adverse Event Peer-Learning: How IR's Make It Actionable Hector Ferral, MD, Louisiana State University Health
8:25 AM	Panel Q & A and Audience Discussion with Expert Panelists Jon C. Davidson, MD, FSIR, University Hospitals Cleveland Medical Center
V. My Early Career as an IR: Lessons Learned <i>Moderator:</i> Dr. Mikhail C.S.S. Higgins, Boston University School of Medicine/Boston Medical Center	
8:35 AM	Session Overview and Introductions
8:40 AM	Early Career year as an IR in Academics: Hindsight is 20/20 Julie C. Bulman, MD, Beth Israel Deaconess Medical Center
9:00 AM	Early Career year as an IR in Private Practice: Hindsight is 20/20 Keerthi D. Prasad, MD, Centers for Pain Control and Vein Care
9:20 AM	What I Wish I Knew: An Early Career in IR in Review Mo Bader, MD, Boston Medical Center
9:40 AM	My Early Career Journey: Best and Worst Case Ripal T. Gandhi, MD, FSVM, FSIR Miami Vascular Specialists
10:00 AM	Panel Q & A
VI. Standards of Practice Debate <i>Moderators:</i> Dr. Paul J. Rochon, University of Colorado School of Medicine and Dr. Mohammed Al-Natour, University Hospital Cleveland Medical Center	
10:15 AM	Session Overview and Introductions Subject: "Periprocedural Antibiotics in IR": Reflections on the SIR Standards and Practice Guidelines
10:20 AM	Proponent ("Yup: They're so on the mark!") Andrew J. Gunn, MD, University of Alabama at Birmingham Medical Center
10:40 AM	Audience Response
10:42 AM	Opponent ("Do we really need these guidelines as IRs?") Peder E. Horner, MD, Diversified Radiology
11:02 AM	Audience Response
11:04 AM	Panel Q & A and Audience Discussion
11:25 AM	Break

11:40 AM	Keynote: Complications, Safety and Innovation: Reflections on My Career as an IR David Kumpe, MD FSIR, University of Colorado School of Medicine
12:25 PM	Q & A
VII. Complications Mastermind <i>Non-Vascular Complications Case Presentations</i> Moderators: Dr. Raj Pyne, Rochester General Hospital and Dr. Mohammed Al-Natour, University Hospital Cleveland Medical Center Legal Case Consultant - Michael Barkley, JD, Adler, Cohen, Harvey, Wakeman & Guekguezian, LLP	
12:35 PM	Session Overview and Introductions
12:40 PM	Case 1 Steve S. Raman, MD FSIR, UCLA Medical Center
1:05 PM	Case 2 David Madoff, MD, FSIR, FACR, FCIRSE, Yale Medical Center
1:30PM	Case 3 Suvranu Ganguli, MD, FSIR, Boston Medical Center
1:55 PM	Case 4 Harjit Singh, MD FSIR, Johns Hopkins Medical Center
2:20 PM	Audience Response and Discussion
2:30 PM	Break
<i>Vascular Complications Case Presentations</i> Moderators: Dr. Geogy Vatakencherry, Kaiser Permanente Los Angeles and Dr. Mikhail C.S.S. Higgins, Boston University School of Medicine, Boston Medical Center Panelist: Alik Farber, MD, MBA., FACS, Boston Medical Center	
2:45 PM	Session Overview and Introductions
2:50 PM	Case 1 Claire Kaufman, MD, University of Utah Hospital
3:15 PM	Case 2 Sebastian Mafeld, MD, Toronto General Hospital
3:40 PM	Case 3 Fakhir Elmasri, MD, FSIR, FPAIRS Lakeland Vascular Institute
4:05 PM	Case 4 Venu Vadlamudi, MD, RPVI, FSIR, FSVM, FASA, FACC, FSCAI, Inova Alexandria Hospital
4:30 PM	Case 5 Micah Watts, MD, Atlantic Medical Imaging
4:55 PM	Audience Response and Discussion
5:05 PM	Adjourn
