# SHIELD Technical Help

We have received your messages and feedback regarding difficulty claiming credit after a live event, so we have developed the instructions below to help clarify the process.

## [Course Registration and Zoom Registration for LIVE Programs](#)

Registering for a SHIELD live event is a multi-step process. *Please note that Zoom registration is not the same as registering for the live program and vice versa.*

Here are the steps:

1. Register for the course on the [SHIELD BU website](#). (You will receive an email from BUCME confirming your registration)
2. Complete pre-work (when provided)
3. Register for the Zoom session (available in the course and emailed to registrants a day before the meeting\*). After registering, Zoom will send you a link containing the link to access the live event

\*Please note that the email from Zoom may be in your spam folder

## [Attended a meeting and don't see a certificate yet?](#)

Here are updated instructions to access any courses that you attended but have not received credit:

1. Login with the username/password you used to register for the course at the [SHIELD BU website](#)
2. Go to My Account --> My Activities --> Pending Activities
3. Select the name of the course and/or meeting of interest
4. Select the red button with "Take Course"
5. Continue where you left off. On the left panel, the green circles indicate completion and the greyed out indicate what is missing to claim credit.
6. If you have trouble, please contact the office at 617-358-5005 or [shieldbu@bu.edu](mailto:shieldbu@bu.edu). Technical assistance is available Monday through Friday 9:00 – 5:00 PM

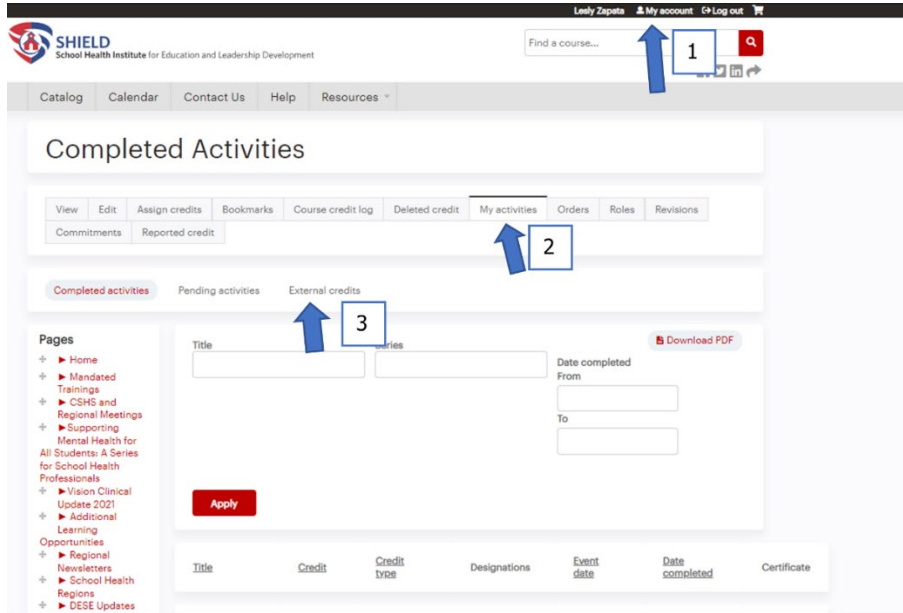

The screenshot shows the 'Pending Activities' page on the SHIELD BU website. The page header includes the BU School of Medicine logo and navigation links. The main content area shows a list of activities with columns for Title, Status, and Enrolled date. A specific activity is highlighted: '(CSHS) Defusing Tense Situations Workshop - 2/10/2022' with a status of 'Evaluation: Defusing Tense Situations Workshop (2/10/22)' and an enrolled date of 'Thu, 02/10/2022 - 1:08pm'. Blue arrows and numbered boxes (1-4) point to the search bar, the 'My activities' tab, the 'Pending activities' tab, and the red 'Take Course' button respectively.

Title	Status	Enrolled date
(CSHS) Defusing Tense Situations Workshop - 2/10/2022	Evaluation: Defusing Tense Situations Workshop (2/10/22)	Thu, 02/10/2022 - 1:08pm
