Project Echo:

Telementoring to Manage Immune-Related Adverse Events in Patients Receiving Cancer Immunotherapies

Live, Online

Faculty

Arvirup Guha, MBBS, MPH
Ryan Weight, DO, MS
Jocelyn Mohs, PharmD
Laura S. Wood RN, MSN, OCN

Learning Objectives

At the completion of this activity, participants will be able to:

1. Apply evidence-based practices for the monitoring and management of irAEs in patients receiving cancer immunotherapies
2. Improve coordination and communication with non-oncology specialists and with patients/caregivers to manage irAEs in patients receiving cancer immunotherapies
3. Review strategies for providing equitable care for underserved patients receiving cancer immunotherapies

CONTINUING EDUCATION CREDITS

The University of Rhode Island College of Pharmacy is accredited by the Accreditation Council for Pharmacy Education as a provider of continuing pharmacy education. This is an application-based educational activity. Pharmacists will receive 1.0 contact hours (0.1 CEUS) for the educational activity. No partial credit is available.

UNIVERSAL ACTIVITY NUMBER (UAN), LIVE: *0060-9999-22-085-L01-P*

UNIVERSAL ACTIVITY NUMBER (UAN), HOMESTUDY: *0060-9999-22-085-H01-P*

PROGRAM EVALUATION All participants will have the opportunity to evaluate the educational session and speaker and to identify future educational needs.

REQUIREMENTS FOR CE CREDIT

Attendance and completion of online program evaluations are required to earn credit. No partial credit is available for this program. Evaluations must be completed at www.uripharmacycpd.org upon completing the home study program. CE credit will be transferred to the CPE Monitor upon successful completion of the program evaluation. Transfer of CE credit should be verified at mycpemonitor.net where CE statements are available to print. Please refer to the evaluation instructions that follow for completing program evaluations and reporting CE credit.

FACULTY DISCLOSURE

This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) and the Accreditation Council for Pharmacy Education (ACPE) through the joint providership of Boston University School of Medicine and The University of Rhode Island. In accordance with the Accreditation Council for Pharmacy Education (ACPE) Standards for Continuing Pharmacy Education,

CE Information

The University of Rhode Island College of Pharmacy requires that faculty members disclose any relationship (e.g., shareholder, recipient of research grant, consultant or member of an advisory committee) that the faculty may have with commercial companies whose products or services may be mentioned in their presentations. The existence of these relationships is provided for the information of attendees and should not be assumed to have an adverse impact on faculty presentations. Relevant financial disclosures will be made prior to the presentations.

Instructions for Completing a Program Evaluation and Reporting Pharmacy CE credit

1. Go to the University of Rhode Island College of Pharmacy Continuing Professional Development Learning Management System located at www.uripharmacycpd.org and create an account using your email address and pharmacy license number.* Enter all of the required account information. Verify that your date of birth and NABP ID Number are entered correctly. Click the "Update Account" button at the bottom of the page to save the account information.

2. Complete the program evaluations. **Evaluations must be completed within 60 days of the live program date.**
- Log onto www.uripharmacycpd.org
- Select Complete Evaluations and select the program date and title of the activity (see below).
- Enter the program evaluation code and complete program evaluation.
- Select submit at the bottom of the page.
- You will receive a confirmation message of evaluation completion and notification that your ce data was reported to the CPE Monitor.

The evaluation access code for Project Echo:

10/18/22: BUPE1	02/21/23 : BUPE4	05/16/23 : BUPE7
11/15/22 : BUPE2	03/21/23 : BUPE5	Homestudy : BUPEH
01/17/23: BUPE3	04/18/23: BUPE6	

Please note: ACPE will only accept CPE data that is reported by providers within 60 days of the live program or completing the home-study. CPE data is reported immediately to the CPE Monitor upon your completion of this evaluation although it may take 48-72 hours to appear in your CPE Monitor profile. You will be notified of any problems transmitting your participant data via email. Most transmission problems are related to errors in transcribing date of birth and/or NABP ID number. It is strongly recommended that you check your profile in the CPE Monitor to verify your participation in this program has been reported. **CPE Monitor will reject CE data submitted after 60 days.**

*Your pharmacy license number, date of birth and NABP ID number are required to create an account in the URI CPD online registration and evaluation system in order to report participant data to the CPE Monitor. Pharmacy license numbers will not be used for any other purpose.
