

The MA Sexual Assault Nurse Examiner (SANE) Program Presents

2023 Training Dates!

Providing Care After Acute Sexual Assault: Best Practices for Emergency Department Clinicians

Attend a statewide training to familiarize yourself with the tools needed to provide trauma-informed care for sexual assault patients of *all* ages.

This training will include a review of the newly revised Adult/Adolescent MA Sexual Assault Evidence Collection kit (MSAECK) as well as the MA Pedi Sexual Assault Evidence Collection Kit (MA Pedi Kit).

ED Clinicians including RNs, PAs, NPs, and MDs are highly encouraged to attend these informative educational sessions.

Choose one of the following live, virtual sessions:
