Division of Developmental and Behavioral Pediatrics

present

The Steven J. Parker Memorial Developmental-Behavioral Pediatric Conference: Clinical Problems in Primary Care

March 7-8, 2025

Boston University Charles River Campus/Virtual - Boston, Massachusetts

About Dr. Parker

Steven Parker, MD graduated from Cornell University, University of Michigan Medical School and completed pediatric residency at Stanford University Hospital. He completed a fellowship at Children's Hospital of Boston with T. Berry Brazelton in Child Development. He started his career in private pediatric practice but after 3 years joined the faculty at Boston University School of Medicine and Boston Medical Center (the former Boston City Hospital) and he became Director of Developmental and Behavioral Pediatrics in 1994, a position he served for over 13 years. He founded and directed the Comprehensive Care Program at BMC – a national model in family centered care for children with developmental disabilities. He published extensively on many areas in DBP and also was the voice of pediatrics for WebMD. His compassion, wisdom and insight in supporting children and families across Boston and the country will not be forgotten. In addition, he cofounded this conference in 1984 with Dr. Barry Zuckerman and it is in his memory that we hold the annual Steven J. Parker Memorial Developmental Behavioral Pediatrics Conference. We hope for all participants that it is an annual opportunity to revisit the topics that are at the core of pediatric practice and to remember Steve's own advice for parents from his blog:

"Enjoy your kids! Enjoy the ride! Someday soon you'll wonder how it all went by so fast and why you didn't appreciate it more as it was happening."

Overview

This program is designed for practicing clinicians who have an interest, passion or emerging expertise in developmental and behavioral pediatrics and want to take their knowledge and skill to the next level. Many clinicians and allied medical professionals do not feel adequately trained when in practice and yet they face these challenges with patients and families every day. The course offers practical approaches to these issues and we welcome participants from a broad array of disciplines including physicians, advance practice providers, nurses, social workers, and allied medical professionals who work in Pediatrics and the broader medical community.

Target Audience

This program is designed for the entire pediatric healthcare team: primary care physicians, pediatricians, pediatric nurse practitioners, nurses, physician assistants, social workers, child mental health professionals and family nurse practitioners.

Learning Objectives

Through lectures and question and answer sessions, participants at the conclusion of this conference will be able to:

- Explain the challenges of (and solutions for) caring for special and vulnerable populations in Developmental-Behavioral Pediatric topics.
- Discuss strategies for counseling families of neurodevelopmentally complex children in transitioning to adult care.
- Describe the latest clinical information on a variety of other developmental and behavioral issues in children and families.

Program - Friday March 7th

- 7:30am** *Registration and Breakfast for In-Person Attendees*
- 8:00am** *Live Stream Starts for Virtual Attendees*
- 8:15am** **Welcome and Introduction**
Marilyn Augustyn, MD
- 8:30am** **MODULE ONE- Caring for Vulnerable Populations**
- 8:30am** **KEYNOTE-Medical Care of Vulnerable Populations**
Alastair Bell, MD, MBA
- 9:45am** **Hot Topics on Families with Special Needs - Pediatric Home Care: Cool Innovations, Challenging Trends**
Jack Maypole, MD
- 10:30am** **Break**
- 10:45am** **The Curious Case of the Deaf Immigrant**
Anna Lim, PhD & Arielle Spellun, MD
- 11:30am** **Neurodiverse Urban Youth**
Marilyn Augustyn, MD, Irene Piryatinsky, Ph.D., ABPP-CN & Nora Grace Turok, PsyD
- 12:15pm** **English Language Learners 2024**
Sarah Canale, MD
- 1:00pm** **Lunch (On Your Own)**

MODULE TWO DBP Potpourri

- 2:00pm** **Genetic Evaluation in an Older Youth**
Jodi D. Hoffman, MD
- 2:45pm** **Showing Up for Families: How Pediatric Providers can Partner with Parents in Recovery**
Jill Baker, LICSW, Elizabeth Egan, MPH, LICSW & Genevieve L. Preer, MD

- 3:30pm **Break**
- 3:45pm **What Every Pediatrician Needs to Know About Addressing Adolescent Substance Use**
Sarah Bagley, MD, MSc
- 4:30pm **Primary Care and Psychiatry Around Complex ADHD**
Paul Hammerness, MD
- 5:15pm **Adjourn**

Program - Saturday March 8th

- 7:45am **Registration and Breakfast for In-Person Attendees**
- 8:00am **Live Stream Starts for Virtual Attendees**
- 8:15am **Introduction to Day 2**
Jack Maypole, MD
- 8:30am **MODULE THREE- Transitioning to Adult Care – It's about time(ing)**
- 8:30am **Ableism, The Final Frontier**
Jodi Wenger, MD
- 9:15am **Transition to Adulthood: The Pile of Paperwork & Navigating the Process**
Katie Campbell, MA
- 10:00am **Break**
- 10:15am **Global Developmental Delay to Intellectual Disability**
Audrey Christiansen, MD
- 11:00am **SAFE Consensus Panel**
Marilyn Augustyn, MD
- 12:00pm **Lunch (on your own)**

MODULE FOUR DBP Potpourri

- 1:15pm **Movement Disorders to Tics for the PCP and Care Team**
Patrick Mabray MD, PhD
- 2:00pm **Mental Health Treatment Modalities For Young Children**
Bridget Poznanski, PhD
- 2:45pm **Break**
- 3:00pm **It Takes A Team: Thinking About Selective Eating**
Margot Tang, MD, MPH
- 3:45pm **10 Best Articles in DBP**
Marilyn Augustyn, MD & Jack Maypole, MD
- 4:45pm **Adjourn**

Accreditation

In support of improving patient care, Boston University Chobanian & Avedisian School of Medicine is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

Physicians

Boston University Chobanian & Avedisian School of Medicine designates this live activity for a maximum of 13.75 AMA PRA Category 1 Credit(s)[™]. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

This continuing medical education activity has been reviewed by the American Academy of Pediatrics and is acceptable for a maximum of 13.25 AAP credits. These credits can be applied toward the AAP CME/CPD Award available to Fellows and Candidate Members of the American Academy of Pediatrics

The AAFP has reviewed The Steven J. Parker Memorial Developmental-Behavioral Pediatric Conference: Clinical Problems in Primary Care and deemed it acceptable for up to 13.25 Live AAFP Elective credit(s). Term of Approval is from 03/07/2025 to 03/08/2025. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

MOC

Successful completion of this CME activity, which includes participation in the evaluation component, enables the learner to earn up to 13.75 MOC points in the American Board of Pediatrics' (ABP) Maintenance of Certification (MOC) program. It is the CME activity provider's responsibility to submit learner completion information to ACCME for the purpose of granting ABP MOC credit.

By attending this activity and providing your ABP number and Date of Birth, you authorize BU CCE office to report your information to the ACCME so that we may process your MOC Part II credit on your behalf.

Physician Assistant

NCCPA accepts certificates of participation for educational activities certified for AMA PRA Category 1 Credit[™] from organizations accredited by ACCME or a recognized state medical society. Physician assistants may receive a maximum of 13.75 hours of Category 1 credit for completing this program.

Nurses

Nursing Contact Hours: 14.00 of which 3 are eligible for pharmacology credit.

This program is accredited for 13.75 NAPNAP CE contact hours of which 3 contain pharmacology content, per the National Association of Pediatric Nurse Practitioners Continuing Education Guidelines. Program #: A10-25-03

Social Workers

As a Jointly Accredited Organization, Boston University Chobanian & Avedisian School of Medicine is approved to offer social work continuing education by the Association of Social Work Boards (ASWB) Approved Continuing Education (ACE) program. Organizations, not individual courses, are approved under this program. Regulatory boards are the final authority on courses accepted for continuing education credit. Social workers completing this course receive 13.75 clinical continuing education credits.

Boston University Chobanian & Avedisian School of Medicine, Barry M. Manual Continuing Medical Education Office is recognized by the New York State Education Department's State Board for Social Work as an approved provider of continuing education for licensed social workers #SW-0589. (Social Workers must attend all sessions for credit. Partial credit is not allowed.)

Other Learners

All other learners may claim a certificate of participation. Consult your professional licensing board regarding the applicability and acceptance of certificates of participation for programs certified for credit by organizations accredited by Joint Accreditation for Interprofessional Education.

How to Claim Your Credit/Certificate

Certificates are issued online post meeting after completion of the evaluation.

1. Go to <https://cme.bu.edu/parker2025> after the meeting has ended.
2. Login with the username/password you used to register for the conference
3. This will take you back to the conference home page
4. Click "Take Course"
5. Follow instructions/steps for completing the claiming credit. If you want MOC credit, after claiming credit, you will need to continue on and take and pass the post test. You will NOT get MOC credit if you do not complete this step.
6. If you have trouble, please contact the office at 617-358-5005 or cme@bu.edu
7. Credit should be claimed within 60 days of the end of the program or May 9, 2025

This code will take you to a website where you will find all the information for syllabus materials, NAPNAP credit, zoom links etc.

Faculty/Planning Committee

Boston University Chobanian & Avedisian School of Medicine asks all individuals involved in the development and presentation of Accredited Continuing Education activities to disclose all financial relationships with ineligible companies. This information is disclosed to all activity participants prior to the start of the educational activity. Boston University Chobanian & Avedisian School of Medicine has procedures to mitigate all relevant financial relationships with ineligible companies. In addition, faculty members are asked to disclose when any unapproved use of pharmaceuticals and devices is being discussed.

In accordance with the Standards for Integrity and Independence in Accredited Continuing Education, all relevant financial relationships that faculty, planners, authors, and anyone who may be in control of content have with ineligible companies have been mitigated.

Speakers

Marilyn Augustyn, MD

Course Co-Director

Professor of Pediatrics

Director, Division of Behavioral and Developmental Pediatrics

Chobanian & Avedisian School of Medicine and Boston Medical Center

Co-Editor, "Behavioral and Developmental Pediatrics: A Handbook for Primary Care

Speaker has no relevant financial relationships to disclose. Speaker does not plan on discussing unlabeled/investigational uses of a commercial product

Sarah Bagley, MD, MSc

Director, Youth Empowerment Research Collaborative

Associate Professor of Medicine and Pediatrics

Associate Program Director Grayken Fellowship in Addiction Medicine

Chobanian & Avedisian School of Medicine and Boston Medical Center

Speaker has no relevant financial relationships to disclose. Speaker does not plan on discussing unlabeled/investigational uses of a commercial product

Jill Baker, LICSW

Assistant Director of SOFAR

Pediatric Primary Care I Boston Medical Center

Speaker has no relevant financial relationships to disclose. Speaker does not plan on discussing unlabeled/investigational uses of a commercial product

Alastair Bell, MD, MBA

President and CEO

Boston Medical Center Health System

*Speaker has no relevant financial relationships to disclose. Speaker **does** plan on discussing unlabeled/investigational uses of a commercial product*

Katie Campbell, MA

Autism Resource Specialist (Transition

Specialist)/Referral Coordinator DBP

The Autism Program | Developmental and Behavioral Pediatrics

Boston Medical Center

Katie.Campbell@bmc.org

Speaker has no relevant financial relationships to disclose. Speaker does not plan on discussing unlabeled/investigational uses of a commercial product

Sarah Canale, MD

Assistant professor, Developmental & Behavioral Pediatrics

Sarah.canale@bmc.org

Speaker has no relevant financial relationships to disclose. Speaker does not plan on discussing unlabeled/investigational uses of a commercial product

Audrey Christiansen, MD

Assistant Professor of Pediatrics

Training Director, Division of Developmental Pediatrics

Speaker has no relevant financial relationships to disclose. Speaker does not plan on discussing unlabeled/investigational uses of a commercial product

Elizabeth Egan, MPH, LICSW

Social Work Manager, Child Protection Team

Adjunct, Simmons University

Speaker has no relevant financial relationships to disclose. Speaker does not plan on discussing unlabeled/investigational uses of a commercial product

Paul Hammerness, MD

Clinical Professor, Department of Psychiatry & Pediatrics

Executive Vice Chair of Psychiatry, Psychiatry

Speaker receives royalties from Greenwood Press, Harlequin/Harvard University Press, Guilford Press and Massachusetts General Hospital. Speaker does not plan on discussing unlabeled/investigational uses of a commercial product

Jodi D. Hoffman, MD

Associate Professor of Pediatrics

Section Chief, Division of Genetics, Department of Pediatrics

Medical Director, Boston University Genetic Counseling Masters Program

jodi.hoffman@bmc.org

Speaker has no relevant financial relationships to disclose. Speaker does not plan on discussing unlabeled/investigational uses of a commercial product

Anna Lim, PhD

Lecturer in Deaf Studies, Boston University

Co-Editor, Multilingual Approaches to Deaf Education

Team Lead, National Deaf Center Asian Deaf Report
Book Review Editor, Journal of Deaf Studies and Deaf Education

Speaker has no relevant financial relationships to disclose. Speaker does not plan on discussing unlabeled/investigational uses of a commercial product

Patrick Mabray, MD, PhD

Assistant Professor of Pediatrics and Neurology

Director of Pediatric Movement Disorders, Boston Medical Center
Pediatric Sleep Physician, Boston Medical Center
*Speaker has no relevant financial relationships to disclose. Speaker **does** plan on discussing unlabeled/investigational uses of a commercial product*

Jack Maypole, MD

CME Course Co-Director
Clinical Associate Professor in Pediatrics
Vice Chair of Population Health and Practice Transformation
Director, Comprehensive Care Program (CCP) Medical
Director, Special Kids Special Care Program Medical
Speaker has no relevant financial relationships to disclose. Speaker does not plan on discussing unlabeled/investigational uses of a commercial product

Irene Piryatinsky, Ph.D., ABPP-CN

Licensed Psychologist; Board Certified Neuropsychologist
Assistant Professor of Neurology
Tufts University School of Medicine
Speaker has no relevant financial relationships to disclose. Speaker does not plan on discussing unlabeled/investigational uses of a commercial product

Bridget Poznanski, PhD

Licensed Clinical Psychologist
Assistant Professor
Developmental & Behavioral Pediatrics
Bridget.Poznanski@bmc.org
Speaker has no relevant financial relationships to disclose. Speaker does not plan on discussing unlabeled/investigational uses of a commercial product

Planners

Rachel Amgott, MSN, RN, CPNP-PC

CNE Course Advisor
Pediatric Nurse Practitioner
Department of Pediatrics | Division of Developmental and Behavioral Pediatrics
Assistant Professor of Pediatrics
Planner has no relevant financial relationships to disclose.

Marilyn Augustyn, MD

Course Co-Director

Genevieve L. Preer, MD

Clinical Associate Professor of Pediatrics
Speaker has no relevant financial relationships to disclose. Speaker does not plan on discussing unlabeled/investigational uses of a commercial product

Arielle Spellun, MD

Developmental Behavioral Pediatrician at BMC
Assistant Professor of Pediatrics
Director of Health and Wellness at BU Deaf Center
Speaker has no relevant financial relationships to disclose. Speaker does not plan on discussing unlabeled/investigational uses of a commercial product

Margot Tang, MD, MPH

Assistant Professor of Pediatrics
Speaker has no relevant financial relationships to disclose. Speaker does not plan on discussing unlabeled/investigational uses of a commercial product

Nora Grace Turok, PsyD

First Year Postdoctoral Fellow
Neuropsychological Assessment Clinic
Speaker has no relevant financial relationships to disclose. Speaker does not plan on discussing unlabeled/investigational uses of a commercial product

Jodi Wenger, MD

Associate Professor of Pediatrics
Comprehensive Care Program, Grow Clinic
Jodi.Wenger@bmc.org
Speaker has no relevant financial relationships to disclose. Speaker does not plan on discussing unlabeled/investigational uses of a commercial product

Professor of Pediatrics
Director, Division of Behavioral and Developmental Pediatrics
Co-Editor, "Behavioral and Developmental Pediatrics: A Handbook for Primary Care"
Planner has no relevant financial relationships to disclose.

Jack Maypole, MD

CME Course Co-Director
Clinical Associate Professor in Pediatrics

Vice Chair of Population Health and Practice Transformation
Director, Comprehensive Care Program (CCP) Medical
Director, Special Kids Special Care Program Medical
Planner has no relevant financial relationships to disclose.

Maureen A. Patterson-Fede, LICSW

Division of Behavioral and Developmental Pediatrics
Planner has no relevant financial relationships to disclose.

CCE Program Managers: Claire P. Grimble, CMP & Ilana Hardesty, MA
Program Managers have no relevant financial relationships to disclose.
