## Healthy Kids Learn Better

### Aim of the MDPH School Health Services Regional Consultation Program:

To improve professional school  
nursing practice and develop school  
nursing leadership through:

- Expert consultation and technical assistance services provided by highly qualified and experienced school nurses in your region
- Regional networking, collaborative projects, planning, and research
- Providing communication and support related to important practice updates relevant to all aspects of school health services

## Q&A

### What services does the Regional Consultation Program offer?

The Regional Consultant in your area hosts educational and networking programs for ALL school nurses to keep you up to date on important school health related requirements and resources.

Your Regional Consultant develops and maintains communication systems such as newsletters, e-mail lists, or other tools to share updates and information relevant to your practice setting.

### Who can utilize this program?

ALL school nurses, school health staff, school administrators, school physicians, or anyone who has questions regarding school health related services, programs, laws, regulations, or mandates.

### When should I contact my Regional Consultant?

Your Regional Consultant is available to help you with any question or concern that you, or your school's administration may have related to school nursing practice, regulations, and other guidance.

### Where else can I find help?

Your Regional Consultant will be able to direct you to the most appropriate resource based on your unique questions and needs. If they don't have the answer they will find it for you! Be sure to utilize all of the online resources available to you. Please see the "Websites and Resources" section of this brochure.
