School Health Institute for Education and Leadership Development

MANDATED TRAININGS

From January 7, 2025, only the Foundations of School Nursing Practice and An Introduction to Medication Administration and Delegation in MA Schools courses will be required for initial and provisional school nurse licensure. This change aims to help reduce barriers for those seeking licensure or hiring new school nurses.

Foundations of School Nursing Practice

How do school nurses work at the intersection of public health education, and primary care to keep students safe, healthy, and ready to learn?

Cost: \$226.00 | **Credits:** 12 ANCC

An Introduction to Medication Administration and Delegation in MA Schools

What do nurses need to know about medication administration in Massachusetts schools?

Cost: \$45.00 | **Credits:** 2.25 ANCC

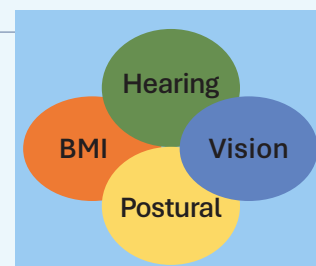

HEALTH SCREENINGS

School Health Screenings*

This course prepares every public and private School Nurse to conduct school health trainings, namely BMI, hearing, postural, and vision, according to MA laws, regulations, and best practice recommendations.

Cost: \$62.50 | **Credits:** 2.50 ANCC

**Required for School Nurses who conduct screenings.*
